DESCRIPTION:

AGENDA:

Ellen Notbohm - AM Keynote

Award Winning Author, Columnist

Internationally renowned author of one of the autism community's most beloved books, "Ten Things Every

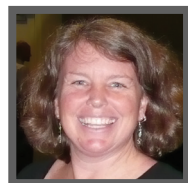

Child with Autism Wishes You Knew", and three other award-winning books including, "1001 Great Ideas for Teaching and Raising Children with Autism", a Silver Medal winner in the Independent Books Publisher Awards. The mother of sons with autism and ADHD, Ellen's

work has demystified autism for millions of families and professionals. Her books and articles have been translated into 19 languages. Ellen is a long-time columnist for Autism Asperger's Digest and a contributor to numerous publications and websites around the world.

Patricia Wright, PhD, MPH - PM Keynote

National Director Autism Services, Easter Seals

Patricia has a passion for education and advocacy and has dedicated her career to ensuring that individuals with

Autism Spectrum Disorder (ASD) are fully included in society. Her personal mission is to offer the support that makes it possible for people with Autism and Asperger's Disorder to lead meaningful, happy and productive lives. As Easter Seals National

Director of Autism Services, Wright leads autism programs for Easter Seals, one of the nation's largest provider of services for individuals with autism.

This Conference is designed to expand understanding and awareness of the Autism Spectrum Disorder (ASD) and develop competencies for mental health professionals, educators, healthcare providers and parents. Participants will be better able to understand and treat children diagnosed with ASD symptoms. Information from multiple stakeholders and experts will be presented from: Montana Autism Education Project; Children's Mental Health; State of Montana Developmental Disabilities; Blue Cross Blue Shield of Montana; Disability and Veterans Services; Helena College University of Montana; State of Montana Vocational Rehabilitation; Helena Industries; Montana Office of Commissioner of Securities and Insurance + more.

Course Objectives

- Identifying treatment barriers and successful strategies to work around inhibiting factors.
- Discuss social and emotional factors affecting children and young adults diagnosed with Autism Spectrum Disorders.
- Identify ways to collaborate and integrate services from multiple agencies.
- Develop therapeutic strategies and interventions for treating youth and supporting their families.

Who Should Attend?

This training is suitable for mental health professionals, educators, psychologists, healthcare providers, therapists and parents.

Continuing Education Credits

Up to 5 continuing education credits (each day) and OPI renewal units are available for mental health professionals, educators and healthcare providers.
